

Keyport Public School District
August 4, 2015

Vision:

It is the aim of the Keyport Public School District to ensure that our multi-ethnic school community can work together to so all students are actively engaged in challenging learning opportunities through a rigorous, standards-based curriculum. We aim to build a foundation for future success and prepare and motivate them to be life-long learners and productive citizens.

Mission:

The Keyport Public School District recognizes that each student is an individual and will to work to ensure that we facilitate the development of each child to his or her greatest potential. Our mission is to challenge each student to thrive in a safe, caring, and stimulating learning environment.

Motto:

Building our future...One student at a time

Value Statements:

- Maintain a respectful, safe, and nurturing learning environment for all students
- A strong foundation in academic areas and modern technologies
- A positive and varied approach to teaching and learning with an emphasis on critical thinking skills and problem-solving techniques
- A respect for and an appreciation of our world, its resources, and its people
- A sense of responsibility, good citizenship, and accountability
- An involvement by the parents and the community in the learning process
- Provide on-going and job-embedded professional learning opportunities to teachers to enhance knowledge and skills to improve student achievement

District Level Goals:

- To build a school community of responsible digital citizens in order to be responsible 21st century global learners
- To build a culture that promotes college and career awareness by providing students early collegiate exposure and workforce experiences in order to allow them to make informed decisions as they mature as life-long learners
- Continue to improve student academic achievement levels for all learners
