WE NEED VOLUNTEERS

The rapid pace of the 21st century creates changes every day in technology, economics, relationships, and demographics that force educators to adjust to many new challenges. The process of strategic planning enables Keyport Public Schools to determine what we want our organization to be, where it is going to be, and how we will get there.

Committees will meet monthly

For more information please contact Internal Coordinator Lisa Savoia, Ed.D. at 732.212-6100 ext 1000

Building our future...One student at a time
