### 7.0 Board Secretary's Report – Mr. Rapolla

<u>Opening of Schools</u>- The custodial and maintenance crew has been working long, hard hours to be ready to open the schools. I want to thank Dylan Borders and his staff for their efforts. It will continue throughout the weekend. Many projects were addressed this summer, a lot of work has been done and I believe our buildings and grounds have been improved.

**Energy Audit**- We received the results of our Local Government Energy Audit. Dr. Savoia, Dylan and myself met with representatives on Monday. We will be reviewing the results with you shortly. The short version is that they highly recommend installing LED lights throughout both buildings. They believe it's a project that would pay for itself in between 6 to 10 years. We are looking into various programs to supplement referendum funds for this.

**Equipment Use**- We have received a request from a local scout troop to use a defibrillator on weekend trips.

<u>Transfers</u>- We haven't had an action meeting since July 2. Many things have happened in that time financially. We are in the process of closing out the 17-18 Fiscal Year. As a result, you see a large number of transfers.

<u>Referendum</u>- You will also see a very long motion that includes the November 6<sup>th</sup> referendum question. The question needs to be approved tonight and we will be sending it to the County Elections Department tomorrow to get on the ballot.

In regards to the referendum, we received our notification from the state as to what was approved for funding. Almost every project was approved for the 40% funding except the door hardware and locks. So overall, instead of 40% funding we received 38.7%.

<u>State Aid</u>- As you may or may not know, many districts throughout the state had their state aid numbers adjusted after the budgets were approved. Many districts are struggling to make the gap up in some way. Our district stayed the same as was approved in the budget. We were increased by \$229,000 which was a 4.1% increase.
