7.0 Board Secretary's Report – Mr. Rapolla

Mr. Rapolla spoke of the following resolutions to be approved tonight:

- Resolution 9.5 is the purchase of snow guards on the High School roof. We had a very difficult time locating companies that would do this work because it had to be in conjunction with the original roof company in order to keep the warranty intact.
- Resolution is entering a new five-year contract with Lightpath for our internet services. The district belongs to Educational Services Commission of NJ. ESCNJ is a cooperative purchasing group. This contract was negotiated on behalf of hundreds of school districts who together can have a greater impact on the price we receive. It is one of the

few areas where the cost of doing business is actually decreasing. It is also 80% refundable through the E-rate program.

- Resolution 9.7 is the purchase of carbon monoxide detectors for the district which are now required by code.
- Resolution 9.8 is approving the payment to All Risk. We have already received this money from our insurance company.
- Resolution 9.9 – we put the athletic transportation out to bid last month and only two companies bid. The bids are higher than our budget and higher than what we currently pay so we are rejecting those bids.
- Resolutions 9.11 and 9.12 allow our district to participate in the ACES energy consortium. It allows us to get discounted rates on electricity and natural gas.
- Resolution 9.14 allows us to continue participating with the ESCNJ cooperative.
