

Office of the Superintendent
Keyport Public Schools

Lisa Savoia, Ed.D.
Superintendent

August 6, 2018

Dear KPSD Families:

As the Superintendent of Keyport Public Schools, I am excited to welcome everyone back for the 2018-2019 school year. It is truly a privilege to be part of a community where students, parents, and teachers are committed to building positive relationships that support social, emotional, and academic growth. This is clearly reflected in our mission, which is to challenge each student to thrive in a safe, caring and stimulating environment.

All of the above is supported by clear communication. In addition to Twitter, Facebook, Instagram, and our website, we have always encouraged the utilization of our Parent Portal. All parent forms are completed in the portal such as emergency, technology use, handbook forms, etc. The parent portal will also be where report cards, progress reports, and schedules/teacher assignments are communicated.

The parent portal will be open on August 9, 2018 for all parents to fill out required forms. Once all forms are completed and signed, access to your child's teacher and/or schedule will become available. This communication platform will support efficiency within the district, allow for parent access, and help us be environmentally proactive.

September 5th will be the first day of school for all students. September 5th through September 7th will be early dismissal days for students, with full-session days beginning on September 10th. Summer math and language arts assignments can be located on our website at www.kpsdschools.org.

We look forward to seeing you on September 13th for the Central School Back to School Night. Our KHS Open House will take place on October 25th. During those events, media centers will be open to address any questions you might have about the Parent Portal.

Once again, welcome back! Let's make it another great year at Keyport Public Schools!

Sincerely,

Lisa M. Savoia, Ed.D.

Superintendent
