

KEYPORT PUBLIC SCHOOLS

LEARNERS TODAY . . . LEADERS TOMORROW

Dear Parent/Guardian:

We are pleased to announce that our Parent Internet Access Portal is now open. Through this portal you will be able to login securely to see your child's grades in "real time", homework assignments and attendance records.

We need to authenticate the identity of parents who would like to have access to their child's data, please fill in the following information and return it to your child's teacher.

Please refer to the parent portal user manual (link below) for any help navigating through the portal.
