Dear Ms. Savoia:

Pursuant to the requirements of N.J.A.C. 6A:30, the Keyport School District has undergone the Quality Single Accountability Continuum (QSAC) review. Based on that review, the district has been placed on a continuum in five areas: instruction and program, fiscal management, governance, operations and personnel. The complete QSAC results, including county office verification of the district's self assessment, are enclosed. The placement scores are listed below:

QSAC Areas	Initial Placement
Instruction and Program	78%
Fiscal Management	62%
Governance	82%
Operations	100%
Personnel	100%

These placement results will be provided to the State Board of Education at an upcoming meeting. Please be advised that QSAC regulations require your board of education to report these placement results at the next regularly scheduled board meeting.

Pursuant to N.J.A.C. 6A:30-4.1(f), if you believe that any indicators were scored incorrectly, you have seven days from the receipt of this letter to submit a written reconsideration request. Email your request to qsac@doe.state.nj.us.

Since the district has not satisfied at least 80 percent of the weighted indicators in instruction and program and fiscal management, you are directed to develop a district improvement plan (DIP) to address indicators that have not met QSAC standards. You will receive instructions for developing your DIP in a separate memo. The deadline for submission of the DIP is September 1, 2015.

Sincerely,

Robert L. Bumpus
Assistant Commissioner
