Ms. Lisa Savoia, Superintendent
 Keyport School District
lsavoia@kpsdschools.org

Dear Ms. Savoia:

In June 2015, the Department issued an evaluation of the Keyport School District pursuant to the requirements of the Quality Single Accountability Continuum (QSAC), N.J.A.C. 6A:30 et seq. At that time, the district was placed on a continuum in each of the areas evaluated in the district performance review (DPR): instruction and program, fiscal management, operations, personnel and governance.

Following that initial evaluation, the district developed an improvement plan to address noncompliant areas in instruction and program and fiscal management; the plan was approved in September 2015. Staff from the Monmouth County Office of Education conducted an interim review of the district's progress in the area of instruction and program and fiscal management. Listed below are the initial placement and interim review placement scores for your district:

DPR Areas	Initial Placement (6/2015)	Interim Review Placement (9/2016)
Instruction and Program	78%	77%
Fiscal Management	62%	100%
Governance	82%	82%
Operations	100%	100%
Personnel	100%	100%

Since the district has not satisfied at least 80 percent of the weighted indicators in instruction and program, you are directed to continue to implement the district improvement plan (DIP). The executive county superintendent will conduct the next QSAC interim progress review in February 2017.

Sincerely,

Robert L. Bumpus
 Assistant Commissioner
 Division of Field Services
